51002000 2000DC-1

There is simply nothing like the results obtained with these ultra speed machines as compared with standard speed machines when used with the modern thermo-plastic finishes - the results are a glassy, wet look that lasts under the toughest conditions and is easily maintained. As a result of the ultra speed, less materials are used, the job time is cut to a fraction and the finish is easily maintained by buffing. The built-in driving pad assembly is superbly balanced to produce vibration-free performance. Excellent design and close tolerance matching result in a superior brush pulley - the heart of any ultra speed. Non-marking wrap-around bumper. All surfaces highly polished aluminum or chrome plated steel. 50' - 3 wire special low temperature vinyl jacketed cable, type ST with molded plug. 13.5 amps. Motor- DC rectified. Safety switch levers. "Grip-notch" belt drive, Spike load protectors, 4 wheels for easy transport and 2 year power train warranty.

1 90 lbs.

**FLOOR MACHINE**

5101019X GVS19

Like having two machines in one! The operator can go from 160 rpm's to 330 rpm's, or any speed in between, simply by using the handy control located right near the switch levers - even during operation! Slow for scrubbing, stripping, & rug shampooing. Higher speeds for spray buffing. Ultra quiet. ALL STEEL planetary high speed transmission. Extra thick chrome plated handle tubes. Double safety levers, fully adjustable handle, non-marking bumper, 50' 3 wire cord. Recommended pad driver with riser #96786758.

## EUREKA SANITAIRE® COMMERCIAL UPRIGHT VACUUM CLEANERS

	NAME	ORDER#	MFG#	DESCRIPTION	PK.	VAC WEIGHT
<p>SC899</p>	<b>MODEL SC899 WITH AN EXTRA WIDE 16" CARPET NOZZLE, QUICK KLEEN®, HEADLIGHT AND POWERFUL 7.0 AMP MOTOR</b>	08001899	E SC899	This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 16" extra wide cleaning path carpet nozzle, a 6 position carpet height adjustment, a heavy duty top filling bag, A brilliant headlight, and a 50 ft. 3 wire grounded cord. It has the Quick Kleen® removable clear fan chamber for easy, cleaning & changing. It also has the Vibra-Groomer™ chrome/steel ball bearing brush roll with replaceable bristle strips, a wide protective vinyl bumper on the Chrome Steel motor hood & a lifetime lubricated 7.0 Amp motor.	1	18.5 lbs.
<p>SC5815</p>	<b>MODEL SC5815 TRUE HEPA WITH COMBO TOOLS</b>	08005815	SC- 5815	True washable sealed HEPA filter. 7 position height adjustment. Non tip & Anti-clog design. Deluxe on board tools. Brush view window. Quiet motor. Converts from floor to ceiling cleaning automatically.	1	18 lbs.
<p>SC5845</p>	<b>MODEL SC5845 TRUE HEPA BAGLESS VACUUM WITH COMBO TOOLS</b>	08005845	SC- 5845	Same as the #SC5815 above except this bagless model has the largest dust cup.	1	18 lbs.
<p>SC679</p>	<b>MODEL SC679 5.0 AMP MOTOR</b>	08001679	E- SC679	This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 4 position carpet height adjustment, a heavy duty top filling bag, and a 30ft. 3 wire grounded cord. It also has a wide protective vinyl bumper on the Lexan motor hood, a lifetime lubricated 5 Amp motor & Shakeout Bag.	1	12 lbs.
<p>SC689</p>	<b>MODEL SC689 WITH E-Z KLEEN DUST CUP AND 5.0 AMP MOTOR</b>	08001689	SC- 689	E-Z Kleen dust cup. 5 amp motor. 4 position height adjustment. Heavy-Duty top filling bag. 30 ft. 3 wire grounded cord. Protective vinyl bumper on Lexan motor hood. Lifetime lubricated.	1	15 lbs.
<p>SC785</p>	<b>MODEL SC785 LIGHT WEIGHT, FOLDING MULTI-PRO WITH ON-BOARD ATTACHMENTS</b>	08001785	E- SC785	Weighing in at just over 13 pounds, this new lightweight Sanitaire is packed full of heavy-weight features. Like a commercial grade two-motor system complete with interlock reset for brush roll motor protection. Its three-position on/off switch lets you select bare floors or carpets with fingertip ease. A built-in performance indicator signals when bag needs changing or when a loss of cleaning performance is detected. And its two-stage micron filtration keeps clean air coming out. Dirt & allergens stay in. For convenient storage and even more versatile performance, the Multi-Pro folds down to only 28.5 inches. 12" width, Automatic carpet position adjustment, on-board dusting brush & two extension wands/extension hose.	1	14 lbs.
<p>SC9180</p>	<b>MODEL SC9180 LOW PROFILE 11.5 AMP DUAL MOTOR UPRIGHT WITH ON- BOARD TOOLS</b>	08009180	E- SC9180	Designed with the commercial cleaner in mind. Low 6" Profile/Quiet Operation. Two Powerful Motors. On-Board metal telescopic wand extends reach & has a retractable permanent brush that cannot be lost. Ergonomic handle with quick-change power cord. Large clog-free intake. Hepa-like Micron Filtration. Easy to change paper dust bag & filters. 50 ft. cord.	1	29 lbs.

**DURAlux**

Exclusive 6-inch Profile

## Sanitaire lost the weight... but we kept the clean.

By utilizing high-strength magnesium, Sanitaire was able to incorporate components that are 75% lighter than steel and 33% lighter than aluminum, all with better anti-corrosion and mechanical properties. Plus, unlike the plastic found in many competing machines, Sanitaire's magnesium components

are much stronger, stiffer and better able to endure impact and harsh handling. And, for the deep-down clean you've come to expect from every Sanitaire model, the incredible DuraLite also uses a more powerful, true commercial-grade motor and the widest air path of any lightweight on the market.

**Exclusive Extra-large, Clog resistant Air-path** is nearly three times bigger than our nearest competitor. We easily have one of the biggest air paths of any lightweight on the market. The bigger the air path, the easier dirt and debris can be transported, and less of a strain is put on the motor.

**Easy to Remove Bottom Plate** requires no tools. Changing the belt is as simple as opening a latch and popping out the roller brush.

**Quick-change Power Cord** for simple, on-site maintenance greatly minimizes downtime.

**Easy-access Dual-zipper Bag** makes emptying a snap increasing productivity.

**Large Easy-roll Wheels** with rubber over-mold protects hard surfaces and improves mobility.

**Exclusive Magnesium components** are lighter than steel or aluminum and are exceptionally durable.

### Make your LIGHT CHOICE the Right Choice.

**Deeper Cleaning - 30% better than the current #1 selling lightweight**

**Better Durability - Constructed with high-strength lightweight magnesium**

**Weights only 10 lbs. - For easy mobility**

CRI™ Approved

### Incredible DuraLite features:

- 1 Soft Grip Handle for comfort.
- 2 Quick change Power Cord eliminated downtime.
- 3 **Exclusive** Widest Air Path of any lightweight for clog-resistant, worry-free operation.
- 4 Easy-access Dual-zipper Bag simplifies emptying.
- 5 **Exclusive** Dual-support Handle Socket and Bag Assembly for exceptional durability.
- 6 **Exclusive** Positive-lock, wear-resistant Magnesium Handle Release.
- 7 Large, easy-rolling Rubber Encased Wheels for superior maneuverability.
- 8 **Exclusive** Tough Magnesium Sole Plate removes without tools for fast and simple belt change.
- 9 Energy Efficient 5-amp Motor with specially designed "pancake-style" moves more air at less RPM's for longer motor life.
- 10 Dual-Edge Cleaning for easy coverage along baseboards.
- 11 Lies flat for low clearance areas.

## CONTINENTAL POLY-CLEAR MEASURES

ORDER#	MFG#	SIZE	DESCRIPTION	PACK	WEIGHT
10559816	CN 9816	1 PINT (16 oz.)	Our measures provide better safety; their deep handle dimensions prevent burns when transferring hot liquids. Each is designed with an "I" beam handle and thumb grip for strength and control when transferring any material. Metric and standard graduations are embossed onto each measure so they will not wash off, thereby extending service life and reducing replacement costs. A dent-free, poly-clear construction weighs less than stainless steel and aluminum versions and is resistant to food stains and breakage.	6	2.4 lbs.
10559832	CN 9832	1 QUART (32 oz.)		6	3.6 lbs.
10559864	CN 9864	2 QUART (64 oz.)		6	5.6 lbs.

## CONTINENTAL POLY-CLEAR SCOOPS

ORDER#	MFG#	SIZE	DESCRIPTION	PACK	WEIGHT
10559906	CN 9906	6 oz. Ice Scoop	Made of light weight yet strong poly clear construction, each scoop has a unique front edge to scrape compact product and even chip ice. Poly-clear construction means resistance to chipping, scratches and breakage, and transfer of temperature. The specially designed ergonomic hand grip prevents slipping while using with wet or oily hands. The thumb indentation allows for greater comfort and control, especially useful in the 64 oz. scoop.	12	3 lbs.
10559964	CN 9964	64 oz. Utility Scoop		6	4.2 lbs.
