What Is Green Seal?

We can help you round out your complete environmentally friendly cleaning program by offering Green Seal® Certified EcoSoft™ 100% Recycled Paper Products. The 'Green Seal' certification means these products meet the 'Green Seal' environmental standards for paper towels and tissue. To achieve and maintain the 'Green Seal' certification, these towel and tissue products are continually subjected to rigorous evaluation & testing along with quality-control audit of Bay West's papermaking processes at their mill in Middletown Ohio. Bay West® is the first paper manufacturer to achieve this certification by "Green Seal" in Washington, D.C.
